"Pain is no respecter of persons," says Dr. E. L. Abougar. "It knows no distinction of race, creed or wealth. The pain of the man of millions with the gouty foot is just as excruciating as that of the most lowly citizen nursing his jaw in a frenzy of neuralgia. For the time being, the one thought uppermost in the minds of both is that they would gladly give their all to get rid of the pain."

"The prominent symptoms of most diseases are pain and fever and I have found that anti-kamnia tablets are equally as effective as fever reducers as they are as pain relievers. Therefore, in any disease where pain or fever exist either separately or together, anti-kamnia tablets have their proper use. For instance, I have used them with most gratifying results in the treatment of all kinds of headaches, migraines, neuralgia, in grippe, and its after effects; as a sedative in indigestion, gastritis, dyspepsia, hysteria and insomnia; as an antipyretic in intermittent, puerperal and malarial fevers, bronchitis, pleurisy, etc.; and in acute and chronic neuritis, earache, toothache, and the pains of sciatica, rheumatism and gonorrhea."

Anti-kamnia tablets will quickly give you the desired relief. Obtainable in any quantity desired. Ask for A-K Tablets.

## An Effective Laxative For Growing Children

Dr. Caldwell's Syrup Pepsin Highly Recommended as a Family Remedy

In children the slightest irregularity of the bowels has a tendency to disturb the entire digestive system, and unless promptly remedied invites serious illness. The experienced mother knows that by training her children to regularity in this respect, and when occasion arises administering a mild laxative, she will have little need for the doctor's services.

Mrs. Leo Weigand, 3251 Central avenue, N. S., Pittsburg, Pa., whose two boys, Frank and Joseph, are shown in the illustration, writes that she has found Dr. Caldwell's Syrup Pepsin a most effective laxative, not only for the children, but also for herself, and that she will always keep it in the house to use when needed.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts easily and naturally, without griping or other pain or discomfort. It is pleasant to the taste, so that children like it, and is equally effective on the strongest constitution.
